

Welcome to Penn Legacy Rec Referee Information

Dear Referees,

I will be assigning Penn Legacy's rec/intramural games. We have posted a web page to show availability of games. We have also implemented a program for new referees that will allow them to ease their way into the game with mentors.

You are able to view and request games on this website. We would like to create a working database of referees available to referee games during the upcoming season.

Please send me an [email](#), so that I may enter your name and info into my database of referees and notify you when games are available on this site for you to referee.

Please copy and paste the info below to include with your email:
